

# **CS480**

## **Reading Assignment 1**

**Due Date: Feb 2, 2016, 11.59pm**

**Submission: Email report to [rgjome1@uic.edu](mailto:rgjome1@uic.edu) and [aolson7@uic.edu](mailto:aolson7@uic.edu)**

**with subject line starting with the word: CS480**

Read the paper: A Relational Model of Data for Large Shared Data Banks by E.F. Codd. The paper is available at the following link:

<http://www.seas.upenn.edu/~zives/03f/cis550/codd.pdf>

Write a one page report (single spacing, 14pt max) with a description of the paper, the strengths that the paper claims with respect to existing ways of storing and querying data.
